## 37<sup>TH</sup> INAC GLOBAL MEETING - THE HAGUE

INAC - Executive Search Worldwide held its bi-annual Global Partner's meeting from 15 to 18 May in The Hague, The Netherlands. Around 40 members from all over the world attended the meeting and mini-symposium titled 'Executives in the spotlight'.

'Communicative skills and social media in a rapid changing media landscape', were chosen to be the main theme for the assembly. External reputable experts were invited to join the conference and share their views from a day-to-day business, skills, and academic perspective. The impact of Executive Search on selection and inter-connectivity in today's complex world was the subject of an INAC survey amongst 250 executives worldwide. The final report will be made available soon, providing a wider and even closer quality service to its global clients.

THE 38<sup>TH</sup> BI-ANNUAL INAC GLOBAL MEETING WILL BE IN LIMA, PERU, 27-29 NOVEMBER 2010.

INAC - Executive Search Worldwide is one of the World's first and most innovative Associations of independent search and selection practices. Its global network of selection firms is committed to providing immediate recruitment advice and assistance wherever in the World it is needed.

## INAC - Executive Search Worldwide is proud to introduce its new member!

**Dalríada Executive Search and Selection** is one of the leading search firms in the Irish market with an excellent track record of delivery across a variety of organisations. Through our proven processes and methodologies, we offer a commercial and pragmatic approach to Executive Search consulting. We have networks across a wide range of industries, geographical areas and functions. These networks, combined with our exceptional research capabilities and the

level of professionalism essential to this market, enable us to identify, attract and manage the best available talent. Dalríada is the preferred supplier to the Public Appointments Service (Irish Government Agency). Dalríada is a professional and discreet consulting firm delivering across the following disciplines: CEO, COO, CFO, executive leadership, senior managers, recognised experts in their specialist fields, and non-executive directors. We are very happy to be associated with INAC and look forward to forging new international contacts.

## Looking back on a successful meeting

The bi-annual meeting in The Hague proved to be very successful. INAC members had the opportunity to meet and connect, in an informal setting with clients, executives, representatives of embassies and international chambers of commerce, and government investment agencies. The mini-seminar 'Executives in the spotlight', chaired by Dr Gary Hays, offered many new insights.
